

## Statements and scripture RE: THE Great Pyramid

According to Dr Joseph Seiss,

"It has been ascertained and clearly demonstrated that there is in the measures, pointings, form, and features of that great primeval monument . .

(a massive and indestructible stone memorial of a complete and faultless knowledge of the structure of the universe)

of the exact and physical sciences both terrestrial and cosmical,  
a determination of a perfect system of weights and measures scientifically conformed to what the Opifex Mundi (Creator of the World) fixed in things when he fetched a compass round the worlds and weighed the hills in balances.

Scientific investigation on the part of different men competent to the task have made it clear that there is built into that edifice a record of the heavens at the time of its erection

which gives its age by astronomy in full accord with all external indications and evidences;

also a record of the size, form and weight of the earth and its relation to and distance from the sun,

the true length of the solar year,

the number of years in the precessional cycle,

the average temperature of the habitable world,

together with the multitudinous cosmical facts and mathematical formulas and proportions no better told by sciences now existing among men"

(Joseph Seiss, Gospel in the Stars, p. 175).

Isaiah 19:19-20 says,"In THAT DAY there will be an **ALTAR** to the LORD in the MIDST of the land of Egypt, and a PILLAR [MONUMENT] at the BORDER thereof to the Lord. And IT shall be a SIGN and a WITNESS to the Lord of hosts in the land of Egypt: for they shall cry to the Lord because of the oppressors, and He will send them a Savior, and a Great One and He shall deliver them".

Joshua 22:26-27 "Let us now prepare to build us an **ALTAR**, not for burnt offering, nor for sacrifice: But that it may be a WITNESS between us, and you, and our generations after us, that we might do the service of the Lord before Him . . ."

73 Now, just before the antediluvian destruction and the flood time, well, we find out that they had a greater civilization than we have today. I believe that they had control of atomic power. I think that's what shook the world from its orbit. I've stood in the British ice fields; dig down five hundred feet, bring out palms, where there used to be palms there, and many hundreds of years ago. And we're taught and know that the world stood upright. But--and they had such mechanical and such science till they could build a pyramid, sphinx, so forth, that we couldn't reproduce today. We have no machinery to lift those blocks that far (See?), 'less it would be atomic; gasoline power won't do it, and electrical powers won't do it. But it was another age much smarter than our age.

66 ... The pyramid says the end is in sight. Every great pointing place says the end is in sight. We're at the end time.

47 It's built right up like this to a point. And the stone on the capstone never was found. They never did put a cap on top of the pyramid. I don't know whether you know it or not. The big pyramid of Egypt, it never had a top stone on it. Why? The Capstone was rejected; Christ, the Headstone (See?), was rejected. >>>

Now, and in the Bible, we're living in the last days, the top of the pyramid, the crossed fishes of the cancer age in the zodiac, in the time of the coming of the Leo the lion, in the capping Stone, and in the days of the manifestation of the sons of God in the Bible. See? See where we're at? We're right at the end time.

260 Just let this Fire come to this Fire, and, after while, you'll find out, it'll move that. It's come up through Luther, Wesley, Pentecost. And find out, the pyramid will be capped, one of these days.

261 You know, it never was capped, the pyramid on the back of your dollar. "The great seal," it says. And we in America, here is the American seal on this side. But why did it say, "The great seal," the one that Enoch made? Not pyramid doctrines now, 'cause I don't believe in that kind of stuff. But they never did cap the pyramid. Why? The--the Capstone was rejected. But It will come again, someday. Praise the Lord!

262 And, see, in that pyramid, I been there. It's honed so close till even you can't run a razor blade. There's no mortar between it. It just perfectly sets together like the same stone.

263 And when that Church gets honed into the perfect image of Jesus Christ, He will come, resurrect all the saints when He comes, and take them with Him. The Church of the living God will be caught up

113 And now we've left the Pentecostal age. Now we are coming to where like in the pyramid, not pyramid doctrines now, but I mean like as the pyramid. The Headstone when it comes to fit, it's got to be honed. There's got to be a ministry in the Church, the true Church of the living God, to where when the Headstone comes, Christ, or the ministry of Christ, and Christ will fit right in

together perfectly. Then that brings back the Redeemed, to take the whole House of God to Glory; the Methodist, Baptist, and Presbyterian, through the great reformation ages, that come out and gave their lives in persecutions and things for the Kingdom of God. But that Stone is coming. Yes, sir. It certainly will come. God will send It. It'll fit all the Building together upon it. See? Now we see these signs, as we see the ministry from Christ beginning to narrow up now, to the complete ministry of Christ, in the fulness of the Holy Spirit.

185 When a man in a foundry is making a bell, he's got a certain tone he has to put in it. When he is setting his mold and pouring his iron, he puts in so much brass, so much steel, so much copper. Why? He knows just exactly how much to put in, to make, give it the right tone.

And that's what Jesus has done by His Bride. He had to put so much Luther, so much Methodist, and so much Presbyterian, so much Pentecost, in it. But what does He come out with? His Own reflection.

What is it? Just like pyramid Message, you see, it's heaping right up, this, come into the minority, with the Headstone. The ministry of Jesus Christ, on earth, has to be the same as the ministry He had, or He can't come to it. Just like the head, to the feet. The head... Feet is not the head, but the head packs the feet, or makes the feet, tells it where to go. You get it? [Congregation says, "Amen."--Ed.] Beautifully, it's the Light of the hour.

22 Like, I--I use this for an illustration. There's a doctrine called pyramid doctrine. But don't never get that in your idea, that I--that I--I believe in pyramid doctrines. I believe in the Bible? See? And, although, I believe the pyramid part played something in it.

I believe God wrote three Bibles.

23 He wrote one in the skies, which is the zodiac. Anybody knows that. Job spoke of it. What? Look at the zodiac. It starts off with the--with the virgin. It ends up with Leo the lion. That's how He come, first with a virgin. His last, next coming, will be Leo the lion, see, coming as the Lion of the tribe of Judah. And all, then, the crossed fishes, of what we're in now, the cancer age, and everything, it all speaks. But, forget it. See? That ain't your Bible.

24 Then, the pyramids, exactly how they were drawn, the headstone was rejected. Still, that's not your Bible.

Then, God wrote It on Words.

JESUS.KEEPS.ALL.HIS.APPOINTMENTS\_ TAMPA.FL SATURDAY\_ 64-0418E

17 Just like the pyramid. Did you notice how the pyramid was made? Not a pyramid doctrine now; just a pyramid.

18 Look on your one-dollar bill. The seal of the United States is that eagle. Well, why does it say over there on the pyramid, "The Great Seal"? Why would it be greater here than United States and--and the seal of the United States; the Great Seal, the eye, watching?

19 And the--the capstone that goes upon the pyramid, was... it was rejected. It never was on the pyramid, isn't till this day; the Stone of Scone, they claim. But it never was put on, the capstone. Why? When Enoch and them, in the early days, built the pyramids down in Egypt, we find out, and in there, they knew that the cornerstone, the capstone, would be rejected. And that pyramid is put so perfectly together till they don't need mortar. It was so mechanically hewed out until one stone fits against the other one, so tight, you can't even put a razor blade between them. Now, just kept heaping up, and now it's all honed off, on top, ready for the capstone when it will come.

20 That's the way God has brought His Church, from justification, sanctification, baptism of the Holy Spirit, and now the ministry of the Spirit which is what quickens the Word. That ministry in the Church will have to be just exactly like His.

Read Zech 3:9 / 4:1 – 4, 10 - 14

I got this on a website from Australia

One enters the Great Pyramid at the Descending Passage which has an elevation of 26 degrees 18' 9.7", the elevation of the Pole Star, Alpha Draconis, the chief star in the Constellation of the Dragon or Great Serpent at that latitude in 2170BC around the time of the Flood.

The Great Pyramid represents the Earth that now is. It is a perfect prophecy in stone so its Passageways are aligned with heavens which are now. But all who endeavor to unlock its mysteries by measurements based on Earth's present relationship with the heavens cannot hope to obtain correct answers as the pre-Flood year was one of only 360 days.

When earth had its water baptism, the Flood only washed away past sin. Sinful Ham was in the ark with the remnant, so as man entered the post-diluvian world symbolized by the pyramid he was under the Dragon star sign and dominion of Satan, on the Descending Passage and bound for the Pit However, about a quarter of the distance down the Descending Passage we encounter an Ascending Passage, indicating a separation from sin and representing God's dealings with Israel in the Exodus and under the Law until Calvary.
