Outreach Trips:

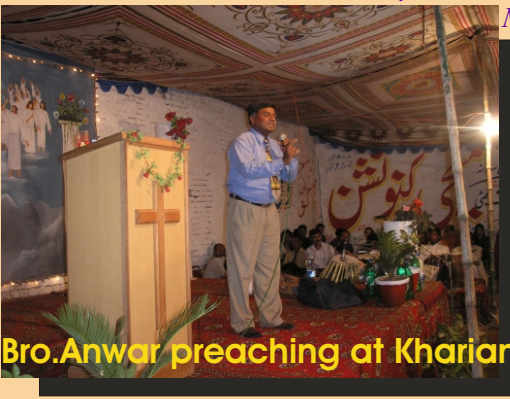

Our missions work is increasing on many different places and areas in the all three vast populated provinces of the country. By the grace of God, now we have many brothers who are good enough to testify and present this light of the last hour in front of nominal Christians and among Pentecostal groups as well.

Kharian is a very new field for spreading and sharing this Message. Bro.Anwar was invited by a denominational preacher on a large annual convention. Pastor Javed George (Rawalpindi), Pastor Y.M.Zafar (Manawala), Pastor Sarfraz Masih (Gujranwala), Pastor Boota Masih (Gujranwala), Pastor Javed Masih (Wazirabad), Bro.Jabran and Bro.Hanni from Lahore accompanied to attend this special meeting.

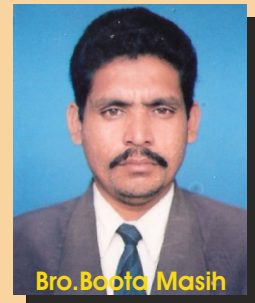

Welcome was great, almost 600-700 people were attending this last meeting of the four days convention. Topic of the convention was TRUTH.... After the two hours songs service.....preacher was invited for ministering the congregation. While Bro.Anwar started His message on Truth....there

were a pin drop silence. Mixed crowd from different place like this... And got down. But almost 400 denominational groups like Catholic, Presbyterian, Methodist, Assembly of God and United Pentecostal Church were attending this service and were praising the Lord for such wonderful WORD....with shout and clapping...But organizer were not very much happy during the Word and after 35 minutes ..when Word was being preached...UPC organizer stood up and rushed up to the pulpit and snatched the Mic. from the minister and shouted "Stop this" this is our final day of convention...so you must preach as we have already preached on this topic. Bro.Anwar replied

"well! I am called and invited to preach " BLESSED ARE THEY WHICH ARE PERSECUTED FOR RIGHTEOUSNESS, SAKE: FOR THEIR'S IS THE KINGDOM OF HEAVEN".
"Truth"....and Truth is the pure Word....so I am preaching it as per given topic...if you expect something different than the Word...I am sorry...I am called to 'preach the Word' and that's all I am doing".
UPC organizer shouted again....I shall not allow you to continue your message on my convention...so get down. Than Bro.Anwar made an announcement to the audience (which was listening and witnessing this situation) that I feel sorry that I was not allowed to complete my Message and the Voice of the Hour in front of you. So I am leaving this pulpit now...excuse me please. Suddenly a large group of young men and women and families stood to protest against organizer. Bro.Anwar made the last announcement saying....please don't leave this

Bro. Boota Masih

Gujranwala has become one of the most busiest region for the Message activities besides Lahore and Karachi. God is calling His sons and daughters from different nominal Christians and creeds to be a part of the Bride. 5 ministers are sharing this wonderful Truth among their own existed congregations and in their surroundings also. Bro.Boota Masih has a well established church. He preaches on several different places and use to have 6 services in a week....sometime had to travel 100 miles a week on his old Bicycle. People here are very poor and hardly earn their living. They are illiterate....and can not afford to provide education to their kids and are very depressed community.

Bro. Boota is one of them and he is very sincere to bring them with the spiritual treasure. Since Believers can not read Message... audio translated messages of the prophet are very important for them. So Bro. Boota has established book and audio library at his residence (Since they don't have some specified church/office building).

Recently Bro. Boota is facilitated with a motorbike by the support of overseas brothers and sisters from USA/Canada. It's a great contribution in his ministry where he has to make a big sacrifice to reach and come back home on the same day (He works till 4.p.m. And go for service/outreach into different areas around very faithfully)

Bro. Boota is very thankful and pleased for this blessing for it's a great support to facilitate his missions work. Praise the Lord.

Bro. Shamoon Patras is one of those young ministers who are very enthusiastic after finding this Message and eagerly learning this Voice of the last hour for their personal walk in Him and for spreading it among their Pentecostal congregation and around them also. God has separated this young minister from a well known Unitarian Pentecostal group. The part of Gujranwala City, he lives... is a kind of rural area and new colony, where different Pentecostal and Presbyterian groups are trying to get established because new families and new people are shifting ...so they need some Christian fellowship/worship place. Bro. Shamoon has spared his home courtyard for worship meetings. Thanks God for such faithful brother and for his family, who are very glad to vacant their house, twice a week for worshipping. Last month they baptized four Brethren in the name of Lord Jesus Christ. Thanks God for bringing His people closer to Him, Amen. Glory to God.

This month God opened new doors to the far deep area of the two provinces, i.e. Sindh and Punjab. Ghotiki is the district where Bro. Naeem is pasturing a pentecostal group with one of the branch church of United Pentecostal Church. Another brother called Bro. Naveed travels in Rahim Yar Khan district. Bro. Naveed and Bro. Naeem met us at Karachi where we have special service in the first week of December. Both ministers were invited to spend three days in our fellowship. There were many questions that were replied and many topics to discussed. Our God is great who can separate His people from the manmade creeds and denominations.

On returning back from Karachi to hometown, Bro. Naeem went to his main head office situated at Karachi and signed the resignation letter in front of his denominational chairman. Hallelujah.

Karachi Chapter:

God is working marvelously in the city of Karachi. Bro. Munir Mukhtar who is a associate minister with Bro. Shamoon at Tabernacle Church Karachi is spending his most of the time in visiting some new areas of the city. Karachi is the largest city of the country and used to be known as "Mini Pakistan". Christian community is also a big part of the total population of 15 million.

Bro. Munir tells in his report that he has started individual visitation in catholic colony through one of his contact (Bro. Munir is excellent in personal sharing) He also tells that God is proving his ministry for molding the young people as he feel more comfortable to speak with the young brothers and sisters. Bro. Munir is also teaching kids in Urdu learning Classes.

Bro. Munir got married this month with a

pentecostal sister where he use to visit and preach. They both are very happy and thankful to God.

Urdu learning Classes looks very successful as their first badge is getting closer to finish their term. Bro. Shamoon and Bro. Munir are putting their best to make the students able to read the Urdu Bible and Urdu translated messages. Please continue your prayers for all these brother, sisters and kids for they may be able to understand and see these jewels by themselves. Amen.

Church Buildings at Pakistan:

Year 2007 was a great year in every account for the Bride in Pakistan. Fruits of Bro. Barry Coffey and Bro. Jim Crook's trip were very great and sweet when this year begun....

Bro. Greg Alford made a trip to Pakistan in the month of March with one of His church minister Bro. Bruce. These meetings were very special too and brought a great benefit to the Bride and to the ministers personal growth.

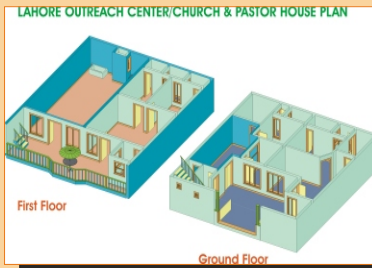

Church building was started in Manawala and Mantgomeriwala by the end of the year.... (which is still going on).

Lahore:

We were praying and looking for some building where we may have a worship hall, church office and a place for missions office and recording room for preparing material for reaching out and backup material to the all churches across the country.

With the help of overseas Brethren.... now we have purchased a piece of Land for

Lahore building and proceeding to the next faze, construction after getting completed drawing and estimation. Thanks God for you all churches and wonderful ministers, who supported this great need and cause for the Bride in Pakistan. May God bless you richly and please continue your prayers and support in this project. Thanks.

PAKISTAN MESSAGE BELIEVERS

UPDATE DECEMBER 2007

Rawalpindi:

The city of Rawalpindi is getting some real spiritual move after a long time period. Bro. Tariq Gulzar is very sincere and successful minister to bring people closer to a greater revelation they had. Many fanatic catholic families are welcoming Bro. Tariq in their houses and as a result, God gave him 7 new people in past few months. Glory to God. Bro. Tariq Gulzar needed a quick mobility badly, he had his poor 27 years old bike...which was in worse condition and finally she left his companionship and was too weak to carry his load.

God saw His son's need and in last month, Bro. Tariq got a motorbike for reaching out in his surroundings in the big city of Rawalpindi. He and his church are very grateful for this kindness and support from the overseas Brethren for taking part in this ministry work by providing him this mobility. Praise.

Bro. Tariq is helping to get established to the already existed believers' church at Rawalpindi and visiting them on regularly basis after getting this bike. (this was Bro. Rashid's church).

And for the help of this local church at Dhock Ratta, Bro. Jamil Sabir is dedicated for ministering with Bro. Tariq as a co-minister in November. Please keep them in your prayers because they aimed to grow in Him deeper. Amen

Khushab: Bro. Sarfraz Masih is very busy in reaching out new areas besides pasturing his church at Gujranwala. Khushab is one of the new area in the Punjab outreach program. A minister from United Pentecostal invited Bro Sarfraz where he stayed two days for conducting services and

having some close fellowship with that group and missions work.
